

# FREEDOM X PERIENCE

SEX TRAFFICKING IMMERSION

An immersive experience that aims to educate the public on human sex trafficking in the U.S.

## Why the Freedom Experience?

By elevating survivor stories, we are creating public awareness and fostering prevention.

400 girls between the ages of 12-14 are sold online monthly. Traffickers target youth in local zip codes across the state of Georgia.

## What is the Freedom Experience?

A 15 minute, guided walk-through. Participants will listen to a survivor's story through headphones while guided through rooms symbolizing the various phases of trafficking, rescue and recovery.
